

Dear all value customer

Please be informed that PIL will be implementing Emergency Bunker Surcharge (EBS) due to the continued rise in global bunker fuel costs driven by recent geopolitical developments.

Scope of Application

- **Trades:** All Long-Haul Trades
- **Cargo Type:** Dry and Reefer

Service Scope	Dry (USD/TEU)	Reefer (USD/TEU)
Into LATAM, Red Sea, Gulf/ISC, Africa and Oceania destinations	160	240
Out of LATAM, Red Sea, Gulf/ISC, Africa and Oceania regions	80	120

The EBS will apply to outbound sailings commencing on or after 23 March 2026, subject to approval by the relevant local regulatory authorities where required.

We appreciate your understanding during this challenging period and remain committed to supporting your needs with safe, reliable and efficient services.
